PRIVATE DINING OPTIONS

UP TO 18 GUESTS

The largest single table we can accommodate in the dining room is for 12 guests. For parties of 10-18 people, we can offer a section of the dining room based on the date and timing of the reservation. We suggest a four-course menu with choices, a full five or eight course-tasting menu or a set three-course menu. Wines can be paired or selected from our wine list by the host. Based on the reservations and availability, we can offer the full menu for up to 12 guests only.

Pricing for the above options is a la carte. A signed contract is required along with a 25% deposit of estimated food and beverage charges. The contract will state our cancellation policy. Due to the intimate size of Brindille, we respectfully require all parties to adhere to the policies of cancellations, changes, and adjustments.

FULL BUY-OUT, UP TO 50 GUESTS

This option provides your guests with the highest level of comfort, luxurious style and surroundings in a completely private environment. The entire restaurant is available for your event – and the experience will be completely custom designed.

For a buy-out, we suggest a cocktail reception with passed hors d' oeuvres to start with a full bar and wine options. For dinner: we can set a menu that is the same for each guest, create a four-course menu with choices, or develop a tasting menu with wine pairings and more. Our full wine list is available to choose from in advance of the event, and there are additional options to explore for a full buy-out.

Pricing is based on the day of the week, wine selections, menu choices and guest count – and depending on the above, pricing starts at a flat rate of \$7,500, plus applicable taxes and service fees. The only additions will be items that are not generally available in the restaurant such as flowers, valet, and A/V. We require a contract and a 50% deposit to reserve the space. The contract will outline the cancellation and change policy. All details will be reviewed over the phone or in person for any questions.
